

Samsung Gear 360 Battery Replacement

Use this guide to replace your battery to restore power to your Samsung Gear 360.

Written By: Angel Veras

INTRODUCTION

This guide will walk you through the process of replacing a dead or damaged battery in a Samsung Gear 360.

Step 1 — Battery

- Insert thumb under tab of battery cover.
- Pull to remove the battery cover.

Step 2

- Once the cover is opened, press index finger on the tab to release the battery from the battery slot.

Step 3

- Once the battery has popped out, pull the battery out of the camera.

To reassemble your device, follow these instructions in reverse order.
